Technical disposed of Business High in easy fashion in the concluding game of the inter-high school championship football series yesterday at National Park, rolling up thirty-nine points in thirty minutes of play.

Business never stood a chance of winning at any stage of the game, and the contest simply resolved itself into a question of how many points the Manual Trainers would garner.

Howard Plays Good Game.

The brightest spot in the whole game was C. Howard, the diminutive right end of the Business team. The little fellow played a splendid defensive game, making several clever tackles and being the receiving end of the forward pass game.

For Tech, Benson proved a good ground gainer in the back field, and Ellis and Brewster played their usual good games.

Several of the Tech substitutes, E. Thrall in particular, did good work. Tech made its first score after two-and-one-half minutes of play, Ellis carrying the ball over, but failed to kick goal.

Weicker kicked off to Small, who got back 10 yards. Ed Thrall was thrown for a loss on a quarter back run, and then Thrall circled back end for 15 yards, and Benson went through right tackle for 25. Ellis made 8 on the line and Thrall carried the ball to the 3-yard line, where Ed Thrall was dragged over for a touchdown. Brewster kicked goal, making the score 6-0 in Tech's favor.

After Hart kicked off, Business was penalized 15 yards for failure to execute the forward pass, but on the next attempt Parker gained 10 yards on the play. Weicker punted over Tech's goal line, and Thrall kicked out from the 25-yard mark. Weicker then tried the forward pass to Howard, who made a pretty catch and started down the field. He dodged Benson, who was waiting for him, but, in trying to get past Thrall, slipped and fell, and the chance for a score was lost.

Brewster Makes Touchdown.

Tech scored in just three-quarters of a minute in the second half. Thrall kicked off over the line and Weicker punted out from his 25-yard mark. Thrall fumbled on the next play, but Benson, by a splendid pass of 20 yards, landed the ball squarely in Brewster's arms, who ran 40 yards through a broken field for a touchdown. Ellis kicked goal, making the score 17-0 for Tech.

Hart kicked off to McFee, who returned 10 yards, and then Howard caught Weicker's forward pass for another 10. Business lost 15 on the forward pass penalty, and Weicker punted. Thrall, Ellis, and Small carried the ball to the 2-yard mark where Jannus was shoved over for a touchdown. Ellis kicked goal. Score: Tech 23, Business 0.

After the kick-off, Hart caught Thrall's punt. Thrall fumbled, but recovered, and then Ellis got Thrall's on-side kick. Brewster got away around right end for 25 yards to the 3-yard line and Emmert was shoved over for the tally. Ellis failed to kick goal. Score, 23-0 for Tech.

Business kicked off and Ellis' attempt for a goal from placement failed, and Benson kicked from his 25-yard line to the 15-yard line. Benson carried the ball to the 2-yard mark, and then Baker was sent into the game and given the ball for the next touchdown. Ellis kicked goal, making Tech's score 24.

After the kick-off, Brewster got Thrall's punt, and Thrall carried the ball to the 8-yard line, where Marsden went over for a touchdown. Ellis failed goal, making the score 29 for Tech to 0 for Business. The game ended with the ball in Tech's possession on Business' 10-yard line.

G. W. U. VS. GALLAUDET.

Hatchettes Will Present Several New Players in Game.

George Washington and the Gallaudet nutes line up this afternoon for their annual game, at Van Ness Park. The Hatchettes have succeeded in coming out victorious during the last two seasons, and in this afternoon's game the lads from Kendall Green are determined to wipe out their past defeats, while the Buff and Blue collegians are confident of rolling up a much larger score than their rivals across the creek succeeded in doing earlier in the season. The Hatchettes line-up promises to show several changes, notably those of Whitehead, at left tackle, and Galt at quarter back, the former a scrub during the early part of the season, the latter a recruit of the last two weeks. Gallaudet is somewhat uncertain about its line-up, but the Hatchettes will present the following front: Gunning, Kender, left end; Whitehead, left tackle; Alston, left guard; Baker or Harrison, center; Holmes, right guard; Sommers, right tackle; White or Brooks, right end; Galt, quarter back; Crafts, left half; Hooten or Maxey, right half, and Witten, full back.

MATINEE AT BRIGHTWOOD.

Special Event Is Planned for Horses That Have Never Started.

The Brightwood Driving Club will give a matinee at the track next Wednesday afternoon. The heats will be half-mile ones, and the prizes cups.

If owners of young horses that have never started desire to enter, one of the three events may be reserved for them if sufficient entries are made. There are several fast youngsters in the District, and the management thinks that the proposed meet on Wednesday will present an excellent opportunity to try them out at a distance that will not be liable to injure them. As at present arranged there will be three events during the afternoon.

### SOPHOMORES WIN.

#### Defeat G. W. U. Freshmen in Annual Interclass Football Game.

The annual football game between the Sophomore and Freshman classes of Georgetown University was played yesterday at Van Ness Park and resulted in a victory for the second year men by 10 to 0.

Forty minutes of fierce play ended in a draw, no scoring being done until the last few minutes of play in the second half, when Clarke, the full back of the winners, was shoved over for a touchdown. Johnson kicked goal.

Shortly after the kick-off Johnson sent the ball between the uprights from the 25-yard line on a drop kick, making the Sophs' total 10 points.

The Sophs obtained a safety in the first half, but the officials ruled that it was a touchback. Johnson also ran 80 yards for a touchdown, but was called back for offensive play. Johnson, Clarke, and Clarke played well for the Sophs, and Davis and Doren starred for the Freshies.

### GEORGETOWN PLAYS CAROLINA

#### First Big Game of the Season Will Be Here To-day.

Although Defeated by Virginia, Tar Heels Have Well-balanced Team.

#### Shake-up at Georgetown.

The first big game of the local intercollegiate football season will be played at Georgetown Field this afternoon, when Georgetown meets the University of Carolina at 2:30 o'clock.

Although defeated by Virginia by 9 to 5, the Tar Heels have a team, which, under the direction of Coach Lamson, the former All-American tackle, has developed into a strong aggregation. No line-up has yet been obtained from Carolina, but it is expected that the same men who faced Virginia will take the field to-day.

Since the defeat at the hands of Virginia Tech Saturday there has been a shake-up at Georgetown, with the result that the team has been considerably strengthened, and is in better shape to-day than it has been at any time this season. Stuart, Thompson, McNulty, and Capt. Dutcher make up the back field, while the line will consist of Simon and Miller, ends; Cullen and Woods, tackles; Woods and Glennon, guards, and Buckley, center.

### YALE READY FOR BROWN.

#### Elis Go Through Easy Practice in Preparation for the Game.

New Haven, Nov. 8.—Yale players were not put through strenuous scrimmages this afternoon in preparation for the Brown game to-morrow, simply having an easy drill with a ten-minute line-up against the scrubs. During the play Coy scored a touchdown and Bomar kicked three goals from placement at the 20-yard line. After the scrimmage Capt. Bigelow and Bomar kicked many goals from difficult angles.

There is a feeling of confidence that as usual the Yale team will be equal to the occasion to-morrow, with at least ten thousand spectators are expected. Conney, who has been tried in his old place at center for the past two days, was put in at left guard again to-day and Congdon is to snap the ball to-morrow.

Bridges will be played as a half back because of his excellent work for the past week.

If Yale succeeds in getting a lead on the Providence team that will warrant taking any chances, several shifts will be made to give the first substitutes plenty of experience. Dimes is likely to go in for Tad Jones, while Wythe or Murphy will probably be substitutes for Bomar, Alcott, and H. Jones will play the end position and "Pop" Foster will be at left tackle.

Charles Dudley, quarter back on the 17th, joined the large squad of coaches to-day. Those in active work in the field were Carl Planders, Phil Smith, Jack Camps, John Hall Dudley, and Walter Camp.

### Hard Scrimmage at Princeton.

Princeton, N. J., Nov. 8.—Football conventionalities were disregarded at Princeton this afternoon, for the Tigers went through a long scrimmage in preparation for the game with Amherst to-morrow. While the practice was entirely secret, as usual, the coaches had no hesitancy in saying that they departed from the set methods of antiseptic polishing and worked the Tigers hard.

#### Three Favorites, Two Second Choices, and a Third Choice Carry Off the Money on a Heavy Track at Pimlico-Patapsco Hunt Takes the Place of Steeplechase on Card.

Special to The Washington Herald.

Baltimore, Md., Nov. 8.—Short-priced horses were in demand at Pimlico this afternoon, as three favorites, two second choices, and a third choice carried off the money. The track was heavy, but the favorites seemed much at home in the heavy going.

The feature event on the programme was the fourth race, the Patapsco Purse, for horses that had started in a steeplechase in 1907. There were but three starters in this race, as Grazzalo, Lizzie Fitzgibbon and Aronson were scratched. This left Best Boy, Tellare, and True Boy. The last named, owned by William Shields, was made the odds-on favorite at 1 to 2, and just as expected, True Boy won the race. The race was practically between True Boy and Tellare, as Best Boy, the other starter, at 20 to 1, never had a look-in.

A professional rider won the race, as Noone had the mount on True Boy, while Mr. C. K. Harrison, who piloted Tellare to victory in his last start, was again in the saddle, while Mr. Tommy Wright was up on Best Boy. When the start was on in the stretch it seemed that Tellare would be the winner, but True Boy, under Noone's handling, easily went to the front when called on and beat Tellare by two lengths, while Best Boy, that had trailed all the way, was six lengths behind Tellare.

The race took the place of a steeplechase, as there was no event for the jumpers carded.

The Summaries.
